

PERSONAL INFORMATIONS

Besim Salkić

 Ćehaje bb, 75350 Srebrenik, BiH
 035 320-757  061 869-876
 besim.salkic@untz.ba

Sex :male | Date of birth 06.09.1966 | Citizenship: BiH

TITLE

Doctor of Agricultural Science from the field of plant production
 Assistant Professor Scientific area Plant Production Faculty of Technology
 University of Tuzla

WORK EXPERIENCE

Date:	2016
Position / profession /title	– docent
Basic responsibilities and duties	
The name of employer	Univerzitet u Tuzli, Tehnološki fakultet Tuzla, BiH
Date	(1996-2017)
Position / profession /title	Agronom
Basic responsibilities and duties	Rukovodilac proizvodnje
The name of employer	d.o.o. „Voćni rasadnik“ Srebrenik

EDUCATION AND TRAINING

27.09.2012.	Doctor of Agricultural Science from Plant Production University of Banja Luka, Faculty of Agriculture.
19.01.2005	Master of agricultural science in the field of fruit growing University of Sarajevo, Faculty of Agriculture Sarajevo

PERSONAL SKILLS

Mother language	Bosnian language				
Other languages	UNDERSTANDING		SPEECH		WRITING
	Listening	Reading	Speaking Interacting	Speech Production	
English	B1	B1	B1	B1	B1

Communication skills	<ul style="list-style-type: none">• Good communication skills gained work:• Team work in different projects• Presentation of the results of different research• Work with students• Working with farmers
Computer skills	<ul style="list-style-type: none">• Windows XP, Microsoft Office (Excel, Word, Power Point),
Driving licence	B category

BIBLIOGRAPHY

Projects

1. „Encouraging entrepreneurship in the fruit and vegetable Sector in the Tuzla-Banja Luka Region in Bosnia and Herzegovina "2001
2. „Introduction of new technologies in fruit growing in the area of Gradačac Municipality" 2002-2005
3. „Intensification of plum growing on the territory of the municipalities of Teočak, Ugljevik and Sapna", 2003-2005
4. „Introduction of new varieties and rootstocks in the municipalities of Mostar, Capljina and Stolac"2004-2006
5. „Introduction of new varieties and cherry rootstocks and their cultivation in the system" Slender spindle ", Municipality of Brčko Distrikt" 2004-2006
6. „Promotion of Agricultural Production in Kosovo" 2009
7. „Inventories of plant genetic resources, collection of autochthonous fruit varieties and establishment of ex situ plantation of autochthonous apple and pear sorts" 2012
8. „Introduction of global gap standards in the production of plums in Srebrenik Municipality" 2014
9. „Rehabilitation, revitalization and expansion of the capacities of primary production and processing of fruits within the framework of the technoeconomic system" Bosnaplod "Brčko Distrikt" 2016
10. „Examination of the phenological and pomological characteristics of autochthonous pear trees in north-eastern Bosnia, Federal Ministry of Education and Science", 2017
11. „Innovations in the value chain of dry plums", Independent Development Bureau / NBR and Faculty of Technology Tuzla", 2018

Certificates

1. 1. Course of Integral Plant Protection organized by USAID, LAMP and MASHAV, April 2007 Srebrenik, BiH

Membership

Professional and study trips

1. Berry Producers, USAID, Sida, FARMA 2010.
2. Udruženje proizvođača sjemena i sadnog materijala FBiH
1. Study stay on "Micropropagation, tissue culture Domesmoen", Norway, November 1997
2. Study visit on the topic "Virus Detection, ELISA Testing for the presence of economically damaging viruses", Oslo, Norway, February, 1998.
3. Study stay on "Integral Production, Integrated Fruit Production", Sion, Switzerland, April, 2002.
4. Specialization on the topic "Integrated Production, Introduction of Integral / Organic Production in Nurseries", Bari, Italy, May-June, 2004,
5. Study visit on "Intensive fruit production", Budapest, Hungary, September 2006.
6. Study visit on "Integral fruit production", Lindau, Germany, December, 2007.
7. Study on the topic "Reading, packaging and storage of apples", Lindau, Germany, December, 2008. Years
8. Study visit on "Production of Knippes seedlings", Tegelen, Netherlands, January, 2009. years.
9. Study stay on "Production of vegetative substrates", Tegelen, Netherlands, November, 2009. years.
10. Study visit on the topic "Introduction of certified planting material", Maribor, Slovenia, September, 2010.
11. Study stay on "Production of berry and berry fruit" Poland, March 2010.
12. Study stay on "Certification of planting material and certification scheme", Czech Republic
